## team up to raise money to help the research against cystic fibrosis

You will have heard that some lawyers of [Stehlin & Associates](#) together with other lawyers from our legal network [Mackrell International](#) have decided to cycle from London to Paris this month to raise money for the French Cystic Fibrosis charity, [Vaincre La Mucoviscidose](#).

On 22, 23 and 24 September, 16 Lawyers and friends from Stehlin and Associates in Paris, from Mackrell Turner Garrett in London, from Van Cutsem-Wittamer-Marnef and Partners in Brussels, from James Berry Law in Dubai, from Nexsen Pruet and from Keller & Heckmann in Washington DC will spend 3 long and painful days in the saddle cycling the 250 miles from London to Paris!
